WORK EXPERIENCE

PricewaterhouseCoopers SDC, Associate 2, Assurance, Kolkata		(November 2025 – Present)
Audit and Assurance	- Performed start-to-end execution, EGA preparation and review of audit analytics and testing procedures across investment management and asset management clients using Halo for Funds. Executed key HCC procedures including Dividend Income, Interest Income, Open Purchases and Sales, Cash Cut-Off and Investigation procedures within the Halo platform ensuring accuracy and completeness. - Executed Cash FSLI through lead schedule tie-out, substantive audit testing, foreign currency translation testing, presentation and disclosure review, and preparation of execution summary workpapers. - Performed PPE FSLI testing by preparing lead schedules, conducting substantive analytical procedures, validating depreciation expense, testing asset additions, examining movement schedules and detailed listings, and evaluating repairs and maintenance accounts to support audit conclusions. - Performed Salaries/Payroll and Benefits FSLI testing by preparing lead schedules, conducting payroll reconciliations and payroll cost testing, performing substantive analytical procedures on employee benefits and other expenses, and preparing execution summaries. - Contributed to process improvement initiatives by developing training materials and process guides, example EGAs including supporting the creation and enhancement of HCC application guidance documentation and creating agents for seamless workflow using AI.	
CA Articleship: Grant Thornton Bharat LLP, Forensic & Investigation Services, Gurugram		(September 2018 – August 2021)
Forensic Audit, Fact Finding Review, Transaction Review Audit, Claims & Disputes, Investigation, Statutory Audit, Internal Audit	- Compiled financial data to create insightful snapshots and identify trends and discrepancies. - Examined and verified transaction records to ensure accuracy and compliance with standards. - Investigated fund diversion and tracked financial flow to assess fund utilization through money trail. - Conducted detailed keyword and pattern based email reviews to identify evidence of misconduct, fraud, collusion, or regulatory non-compliance. - Conducted detailed scrutiny of ledger accounts to ensure accurate and complete entries. - Evaluated vendor financial stability and compliance to optimize relationships and reduce risks. - Mapped and analysed expenses to identify trends, cost savings, and ensure budget compliance. - Verified fixed asset transactions for accuracy, ownership, and compliance with depreciation policies. - Prepared audit reports, exhibits, and annexures to summarize findings and further support.	
	- Performed substantive procedures, analytical reviews and vouching, ensuring audit assertions like existence, accuracy, completeness, and valuation were addressed. - Coordinated with clients for data collection and clarifications; ensured compliance with SA (Standards on Auditing) and firm documentation standards. - Prepared and documented audit working papers across major balance sheet and P&L areas: FDs, Employee Benefits, Inventory (incl. stock counts), Cash & Bank, Loans & Advances, Trade Payables/Receivables, Fixed Assets, Investments, Statutory Dues, Opex, Other Current Liabilities, and Revenue. - Conducted Journal Entry testing to identify high-risk and unusual transactions, using criteria such as manual entries, entries posted on holidays and those lacking descriptions. - Performed IFC testing, walkthroughs and documentation across key business cycles including Revenue, Fixed Assets, Equity, Cash & Bank, Operating Expenses (Opex), Investments, and Inventory.	

CMA Intern : Vivek & Co, Bokaro Steel City		(October 2022 – January 2024)
Internal Audit, Other Assignments	- Audited inventory processes across multiple product lines and reconciling discrepancies for further action plans for management review to strengthen inventory controls and reporting accuracy. - Prepared and filed ITRs including Tax Planning, Advisory and Computation ensuring compliance with statutory requirements and deadlines. - Implementation of Barcodes and QR code for Fixed Assets by physically inspecting assets, affixing barcodes and recording status and other observations. - Performed review of controls around Bulk Material (Coal) using drones which helped the client reduce monthly Inventory count period by 20 days.
